Dear Sir / Madam,

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE

1. INTRODUCTION

At the 16th AGM held on 9 December 2021, the shareholders of the Company approved, *inter alia*, the shareholders' mandate for the Company and its subsidiaries to enter into Recurrent Related Party Transactions. The said mandate shall, in accordance with the Listing Requirements, expire at the conclusion of the forthcoming 17th AGM of the Company, unless renewal is obtained.

In connection thereto, the Board of DFX had on 27 September 2022 announced its intention to seek shareholders' approval for the Proposed Renewal of Shareholders' Mandate at the 17th AGM.

The purpose of this Circular is to provide you with the relevant information on the Proposed Renewal of Shareholders' Mandate and to seek your approval for the ordinary resolution to be tabled at the 17th AGM of the Company.

YOU ARE ADVISED TO READ THE CONTENTS OF THIS CIRCULAR, TOGETHER WITH THE APPENDIX CONTAINED HEREIN CAREFULLY BEFORE VOTING ON THE RESOLUTION TO GIVE EFFECT TO THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE.

2. DETAILS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

2.1 Provisions under the Listing Requirements

Rule 10.08 of the Listing Requirements stipulates the obligations of a listed corporation to comply with in relation to Related Party Transactions. However, pursuant to Rule 10.09(2) of the Listing Requirements, a listed corporation may seek a mandate from its shareholders in respect of Recurrent Related Party Transactions, subject to the following :-

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Party than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Rule 10.09(1) of the Listing Requirements;
- (c) a circular to shareholders which includes information as may be prescribed by Bursa Securities is issued by the listed corporation for the shareholders' mandate;
- (d) in a meeting to obtain shareholders' mandate, the interested Director, interested Major Shareholder or interested Person Connected with a Director or Major Shareholder; and where it involves the interest of an interested Person Connected with a Director or Major Shareholder, such Director or Major Shareholder, must not vote on the resolution to approve the transactions. An interested Director or interested Major Shareholder must ensure that Persons Connected with him abstain from voting on the resolution approving the transactions; and
- (e) an immediate announcement is made to Bursa Securities when the actual value of a Recurrent Related Party Transaction entered into by the listed corporation, exceeds the estimated value of the Recurrent Related Party Transaction disclosed in the circular by 10% or more and the announcement must include the information as may be prescribed by Bursa Securities.

Where a listed corporation has procured a shareholders' mandate in respect of Recurrent Related Party Transactions, the provisions under Rule 10.08 of the Listing Requirements will not apply to the Recurrent Related Party Transactions which are comprised in the said mandate.

The Proposed Renewal of Shareholders' Mandate, if approved by the shareholders of the Company at the 17th AGM, is subject to annual renewal and will continue to be in force until:-

- (a) the conclusion of the next AGM of the Company following the 17th AGM at which the Proposed Renewal of Shareholders' Mandate is passed, at which time such mandate will lapse, unless by a resolution passed at the meeting, the authority for the Proposed Renewal of Shareholders' Mandate is renewed;

(b) the expiration of the period, within which the next AGM of the Company is required to be held pursuant to Section 340(2) of the Act (but must not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or

As at financial year ended 30 June 2022, there was no amount due and owing to the DFX Group by the Related Parties, which exceeded the credit term given arising from the Recurrent Related Parties Transactions.

3. RATIONALE AND BENEFITS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Recurrent Related Party Transactions entered or to be entered into by the Group are in the ordinary course of business and are intended to meet the business needs of the Group at the best possible terms so as to achieve synergistic benefits within the Group. These transactions are likely to occur with some degree of frequency and may be constrained by the time-sensitive nature and confidentiality of such transactions, thus rendering it impractical to seek shareholders' approval on a case-by-case basis before entering into such transactions.

By obtaining the Proposed Renewal of Shareholders' Mandate on an annual basis, the necessity to convene separate general meetings from time to time to seek shareholders' approval as and when such Recurrent Related Party Transactions occur would not arise. This would substantially reduce the time, administrative requirements and expenses associated with the convening of such meetings, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

The Related Parties which are involved in the Recurrent Related Party Transactions have proven their reliability and expertise in their respective fields. In certain instances, the Related Parties provide the Group the support for its operational needs, thereby enabling greater efficiency and effectiveness in the utilisation of the Group's resources.

4. REVIEW PROCEDURES

To ensure that the Recurrent Related Party Transactions are undertaken on transaction prices and terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders and that they are conducted at arm's length and on normal commercial terms consistent with the Group's usual business practices and policies and will not be prejudicial to the shareholders, the Board will ensure that all transactions with Related Parties will only be entered into after taking into consideration the pricing, level and quality of products and support services, and the review procedures as stated below.

The Board has established the following review procedures for Recurrent Related Party Transactions:-

- (a) Records will be maintained by the Company to capture all Recurrent Related Party Transactions entered into pursuant to the Proposed Renewal of Shareholders' Mandate to ensure that relevant approvals have been obtained and review procedures in respect of such transactions are adhered to.
- (b) On a periodic basis, the procedures and guidelines pertaining to Recurrent Related Party Transactions will be reviewed by the Senior Management of DFX and the Audit and Risk Management Committee to ensure that the terms of the transactions are not more favourable to the Related Parties than those generally available to the public, and are not to the detriment of the minority shareholders.
- (c) Where any person(s) has an interest in the Recurrent Related Party Transactions to be reviewed, such person(s) shall abstain from deliberation and voting in respect of such transactions.
- (d) Disclosure shall be made in the annual report of a breakdown of the aggregate value of all transactions conducted pursuant to the Proposed Renewal of Shareholders' Mandate during the financial year and in the annual reports for the subsequent financial years during which the Proposed Renewal of Shareholders' Mandate remains in force. In making such disclosure, a breakdown will be provided of the aggregate value of the Recurrent Related Party Transactions conducted pursuant to the Proposed Renewal of Shareholders' Mandate during the current financial year, amongst others, based on the following:-
 - (i) the type of the Recurrent Related Party Transactions made; and
 - (ii) the names of the Related Parties involved in each type of Recurrent Related Party Transaction and their relationship with the DFX Group.

There are no thresholds for approval of Recurrent Related Party Transactions within the DFX Group. All Recurrent Related Party Transactions are reviewed and authorised by the Executive Directors of the Company, provided always that such Executive Directors have no interest in the transactions and the said transactions have been approved pursuant to the shareholders' mandate obtained at a general meeting for the Recurrent Related Party Transactions.

At least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. Where quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by the DFX Group based on its usual business practices to ensure that the Recurrent Related Party Transactions are not detrimental to the DFX Group.

5. STATEMENT BY THE AUDIT AND RISK MANAGEMENT COMMITTEE

The Audit and Risk Management Committee of the Company has reviewed the procedures mentioned in section 4 above and is of the view that the said procedures are sufficient to ensure that the Recurrent Related Party Transactions are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The DFX Group has in place adequate procedures to monitor, track and identify Recurrent Related Party Transactions in a timely and orderly manner. These procedures and processes will be reviewed annually or as and when necessary.

6. APPROVAL REQUIRED

The Proposed Renewal of Shareholders' Mandate is conditional upon approval being obtained from the shareholders of DFX at the 17th AGM.

7. EFFECTS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE
